EAS remains committed to analytical chemists and those in the allied sciences in the Northeastern United States, as we focus on Enhancing Analytical Chemistry With Sustainable Solutions. In 2021, we will remain at the Crowne Plaza Princeton - Conference Center in Plainsboro, NJ. This modern facility, located close to a large concentration of analytical chemists and scientists, allows us to hold the exposition, technical program, and short courses all under one roof.

The exposition, which consists of a combination of tabletop displays and standard booths, will be located in the Wilson Room, Madison Room, and Lakeside Terrace all on the first floor, as well as Waterfront and Bridgeview, located on the lower level. Your 8' by 10' booth or 6' tabletop display includes four exhibitor registrations for your personnel, invited customer vouchers to allow your customers to attend the exposition for free or at a reduced cost, and free access to the pre-registrants' list and attendees' list.

2021 EAS BOOTH SELECTION PROTOCOL

Please refer to floor plan on reverse side.

Exhibitors are limited to one booth or one tabletop. After February 1, 2021, if space is still available exhibitors who choose to, may increase their space. From December 10, 2020 to January 10, 2021, companies that exhibited with us in 2020 have right of first refusal on their 2020 space. If you would like to exhibit in 2021, but wish to change locations, please complete the application below, indicating your preferences. Relocating exhibitors will be accommodated in order of receipt of their booth applications. Your 2020 location will not be released unless you agree to an alternate location for 2021. After January 15, 2021 companies who did not exhibit with us in 2020 may apply for space. New exhibitors will be accommodated in order of receipt of their booth applications.
