

ADVANCE REGISTRATION INSTRUCTIONS

Eastern Analytical Symposium & Exposition

November 15 - 17, 2021

The 2021 EAS Advance Registration materials consist of three (3) pages. This page contains detailed instructions and information concerning registration, and should be carefully read prior to completing the registration process. If you are an invited speaker, contributed speaker, session chair, short course instructor, booth personnel for an exhibiting company or EAS Governing Board Member, please refer to the registration information which you have been sent.

1. There are three methods which you may use to register in advance for the 2021 EAS. These methods are Paper Copy, email scanned Copy, and Electronic Registration via our web site. Registration using our web site is the preferred method; however, paper copy and email are also acceptable. If you utilize the web site registration, you will receive an immediate confirmation of your registration via e-mail.

A. If you wish to register electronically via our web site, please access the EAS Home Page at www.EAS.org, and follow the instructions provided for registration. Please provide the necessary credit card information. Forms submitted without the proper credit card information will not be processed.

B. If you wish to register using the email copy method, please complete the next page of the registration form and **email the form to EAS Registration at askeas@eas.org**. In order to register by email, you must pay for your registration by credit card. Please make sure that all credit card information is complete and legible prior to emailing the form. Forms emailed without complete credit card information will not be processed. They will be sent back to you for completion and re-submittal. You will receive a confirmation of your registration via e-mail.

C. If you wish to register by mailing the Paper Copy Method, please complete the next page of the registration form, and send the form by U.S. Mail to:

Spring Lake, NJ 07762

If you are sending the form via Fed Ex or other courier service which will not deliver to a PO Box, please send the form and payment to:

4. Eastern Analytical Symposium does not accept purchase orders.
5. If you register for an "Exhibit Only" registration, you may not visit the Technical Sessions, or register for EAS Short Courses. You may visit the Exhibit Area, Employment Bureau, and Poster Area, and you will receive an EAS Souvenir.

7. If you are registering for a "Full-Time Student" registration, you are entitled to the same privileges as a "Full Conferee", but at a reduced cost. Please provide a copy of your student ID with your registration.
8. The fees for EAS Short Courses are in addition to the "Full Conferee" or "Full-Time Student" registration fees. You must pay the "Full Conferee" or "Full-Time Student" registration fee to take the short course. If you are registering for more than one course you will receive a \$100 discount; must be one person taking two courses.
