

Eastern Analytical Symposium

Undergraduate Research Award

We are looking for a talented young researcher!
Nominate one of your students (senior in November 2022)

Winners will get:

- A paid visit to EAS 2023 (worth ~\$500)
- An EAS Award Plaque
- A special Student Awardee Luncheon
- An poster research presentation at a dedicated Student Awardee Session
- Networking opportunities with leading analytical chemists

Deadline April 30th

For more details

www.eas.org .

Hey! Do you see yourself as one of this year's awardees? Forward this to your Professor and join us this November!

Send as a nomination letter to student.awards@eas.org

- Nominator appraisal of how the student handles research, deals with problems, and gets involved in the research process.
- Research project synopsis with results & future directions written by the student (3 page max)
